### SUMMARY

As a Computer Science and Engineering student with a passion for programming and solving problems, I am seeking opportunities to apply my skills and knowledge and contribute my enthusiasm in giving back to my community.

Eager to leverage my academic background and hands-on experience to make a meaningful impact.

### SKILLS

- Project Support
- Project Management
- Communication
- HTML
- CSS
- Javascript
- Python
- Code Writing

### EXPERIENCE

Intern

Bangalore, India

na/ Nov 2023 to Nov 2023

- Built layouts according to customer parameters using HTML5 and CSS3.
- Designed websites, portals and large-scale web applications for multiple clients.
- Completed design projects to meet budget, equipment, performance and legal requirements.
- Maintained strong education in latest technologies, software, and hardware products for use in various projects.
- Worked closely with designers to implement UI and UX designs accurately in the codebase.
- Developed web applications using HTML, CSS and JavaScript.

Volunteer

Vellore, India

na/ Oct 2023 to Nov 2023

- Offered support and assistance to community members.
- Collaborated with other volunteers to create a positive work environment.
- Built partnerships with related organizations to develop support and gain greater attention for important issues.
